Mrs. [REDACTED], President
South Shore Regional Hospital Auxiliary90
Glen Allan Drive
Bridgewater, NS, B4V 3S6

Dear [REDACTED]

On behalf of the Nutrition and Food Services department of South Shore Regional Hospital I just want to express our sincere and deepest gratitude for funding the purchase of the cafeteria dinery sets.

Your recent contribution has made it possible to fully seat and comfortably accommodate all the visitors of our cafeteria with a much-needed upgrade. We have had great feedback regarding our wheelchair accessible table which has made it feasible for many populations to be accommodated in our dining area. This purchase will significantly improve the hospitality of our environment, as well as ensure we are adhering to infection control standards.

We are honored to have your support and appreciate the essential role the auxiliary plays in our communities and supporting facilities. Thank you for your kindness and dedication to the South Shore Regional Hospital.

Warm Regards,

Morgan McCarthy
